taste of Arctic excitement in a fun and controlled environment. A great way for little ones to enjoy the snow and experience the joy of snowmobiling at their own pace.

After the children, it's time for the adults to step into adventure as you set off on an exciting snowmobile safari through the breathtaking Lappish wilderness. After receiving full driving instructions, you'll follow your guide along extensive snowmobile tracks, weaving through snow-covered forests and open landscapes.

Adults can choose to drive solo or share a snowmobile, swapping drivers along the way if desired. Children and those who prefer to sit back and enjoy the ride will be pulled in a comfortable sleigh driven by the guide, making this an experience for the whole family to enjoy.

Please note: A valid driving license is required to operate a snowmobile.
